#### REPORTS OF BOARDS.

#### BOARD OF EDUCATION.

"No one can attempt a general survey of the condition of moral and religious education in America without becoming acutely conscious of the inherent difficulties of the task"-since President Faunce uttered these words at Boston nearly a decade ago, at least two things have been accomplished: First-The problem has been more frankly recognized and more accurately stated. Second--And the inability of Secular Institutions to supply religious and moral education has been established. Our interest in Christian education can no longer be academic. Not even the heathen world in its piteous appeal speaks with greater insistency and pathos than our own land with its dwarfed ideals and secularized standards of education. We, therefore, urge upon you the importance of our educational work and challenge you by its vital relation to the Kingdom of God, to give it your heartiest support.

#### GENERAL BOARD.

Dr. Stonewall Anderson, secretary of the General Board of Education was before us and reported the work being done

The principal task now before the Board is the standardization of our educational work. We have no right to offer to our people less than the best; and the movement toward a higher standard should meet with the hearty endorsement of the Church.

The Correspondence School at Nashville continues to render valuable service in the training of our ministers, and we earnestly urge our undergraduates to take

the Conference Course through the Correspondence School.

That "exact man" which "writing doth make" is to be desired in the ministry. Central College was represented by President Paul H. Linn, and by the financial

agent, B. D. Sipple.

The election of Dr. Linn has given a great impetus to the work of the College and especially to the campaign for raising \$300,000 additional endowment. We can no longer trifle in this matter. It is the one great challenge to Missouri Methodism today. Every friend of Christian Education should respond to its call.

To fail now is to close a door to Methodism in Missouri that perhaps can never again be opened. We recommend the appointment of Perry S. Rader and F. M. Burton as curators for a term of four years; C. C. Selecman, a curator in

the place of Wm. A. Webb, resigned.

Scarritt-Morrisville College, under the presidency of Dr. Louis C. Perry continues to be one of the greatest factors in the success of our church in this Conference. This remarkable school has back of it an enviable past and before it a glorious future. No mere physical standards can even gauge its influence or power.

To fail to develop it, to support it, and to recognize its place in the educational work of the church is to deny the compelling logic of a splendid success.

We recommend that Louis C. Perry be appointed President, F. N. Looney, Field Secretary, and J. D. Rankin and J. A. Peeler, Professors in Scarritt-Morrisville College, and that J. E. McDonald, C. J. Wilkins, O. S. Firestone, J. J. Orton and W. J. Ross be elected Curators for a term of three years.

Central College for Women, at Lexington, Mo., according to the report of the Curators and of the President, Dr. Z. M. Williams, is in a flattering condition.

The work of Rev. F. E. Gordon, Field Secretary during the past year, has been highly satisfactory and very gratifying results were obtained. We have every reason to believe that the \$100,000 for endowment will be secured by June 1915.

We recommend that Dr. Z. M. Williams be appointed President and Rev F. E. Gordon, Field Secretary, and that Rev. R. F. Campbell be appointed Field Secretary and Conference Evangelist, and that it be resolved; in order that the term of the Curators of Central College for Women may correspond to the charter of the College, we hereby declare that J. E. McDonald and E. M. Taubman are Curators for the term expiring September, 1914. C. W. Moore and E. L. Mitchell, for the term expiring 1915, W. B. Palmore and L. D. Murrell for the term expiring in 1916, at which time their successors are to be elected for terms of three years respectively.

The Preachers' Institute no longer needs a defender. Dr. C. S. McFarland, Secretary of the Federal Council of Churches of Christ in America, came in contact with our work for the first time last June. His unstinted commendation of the work is an estimate which no growing preacher should ignore. Our Missouri Institute is free to our preachers and its contribution to them is unmeasured.

We recommend that John F. Caskey be appointed Conference Secretary of

Education.

We recommend that Vocation Day be observed by all of our pastors.

#### SCARRITT COLLEGIATE INSTITUTE.

Perry S. Rader, on behalf of the Conference Board of Education, presented to the Conference for adoption, certain resolutions concerning the sale and transfer to the Neosho School District, of Block 8, in McCord's Addition to the town (now City) of Neosho, Missouri, authorizing Edward L. Scarritt, Corona H. Briggs, Lewis M. Lloyd, E. T. Webb and Oliver A. Moss, trustees, to sell and convey said property to said public corporation, and after paying all the liens and other claims against said property, to re-invest the proceeds in real estate and have the title thereto vested in the trustees named in the resolutions adopted by this Annual Conference at its session held at Kansas City, Missouri, in September, 1909, for the use of Scarritt-Morrisville College at Morrisville, Missouri. Said resolutions were adopted, and the presiding officer and secretary of the Conference were directed to certify and attest them, and the secretary was directed to spread them at length upon the journals of this conference, and to publish this minute of their adoption in the Printed Minutes.

JOHN F. CASKEY, President. F. E. GORDON, Secretary.

#### REPORT OF SUNDAY SCHOOL BOARD

To the Bishop and members of the Southwest Missouri Conference of the

Methodist Episcopal Church, South:

Dear Fathers and Brethren: We feel justified in claiming for the Sunday School, an important place in the activities of the Church; if indeed it is not one of the Church's most important organizations. It is the recruiting force and yields the greatest returns of any field in the Church. The Sunday school is an inviting field for missionary work, and every Sunday School should be so organized that there will be efficient training and liberal giving.

#### THE GENERAL SUNDAY SCHOOL BOARD.

The General Sunday School Board is sustaining its splendid record in sending out high class literature in every department of its work. The matter under the able management of Dr. E. B. Chappell and Dr. C. D. Bulla and their assistants, is equal to the best. Our Sunday School Superintendents can obtain everything needed for their work by applying to Mr. E. E. French of the Supply Department.

#### TEACHER TRAINING.

Trained teachers and efficient workers are in great demand in our Sunday Schools, we therefore urge all our pastors to get in touch with Dr. H. M. Hamill, Superintendent of the Department of Teacher Training.

#### THE ORGANIZED CLASS.

The organized class has proved so beneficial in Sunday School work that we commend the General Board for providing for the organization and enrollment of Wesley Bible Classes in the Junior and Intermediate Departments. Address the Rev. C. D. Bulla, Nashville, Tenn., for information and blanks.

#### INSTITUTES.

We recommend the District Institute as being the most efficient, and urge our Presiding Elders to arrange for at least one day in connection with the District Conference when at all practical. We will be pleased to furnish expert workers to aid in these institutes.

#### CHILDREN'S DAY.

The observance of Children's Day is important because it is entertaining, instructive, and the only source of revenue the Board has. Your Board will furnish programs whenever requested to do so. We continue to supply literature to start new schools and assist needy schools in their work on application of pastor or Chairman of the Board.

Dr. Chappell's visit to our Annual Meeting and splendid address at the Anniversary, was highly appreciated and greatly enjoyed. It was an inspiration.

#### BIRTHDAY OFFERINGS.

We call attention again to the importance of the Birthday Offering by which a loan fund is built up and administered by the General Board of Church Extension and used in the erection of churches arranged for the most efficient Sunday School work.

#### REVENUE.

We urge that where it is not practical to hold Children's Day Services, that a collection be taken and remitted to the Conference Treasurer to be treated as Children's Day Fund.

#### REPORT OF BOARD OF CHURCH EXTENSION.

To the Bishop and members of the Southwest Missouri Conference:

We, your Board of Church Extension, submit the following report:

We would call your attention to the splendid hand book gotten out by the General Board, containing the 31st Annual Report of that Board and a full summary of the financial transactions of all the Conference Boards.

This is the most pretentious volume that the Board has issued for several years and arrays facts and helpful suggestions in a most magnificent way. This hand book and a book called "Priming the Pump," which contains 171 pages of stories, sermons and most striking seed thoughts, and also many leaflets, folders and pamphlets, all free, may be had by writing the General Secretary.

We deem it of great importance that all the Conferences should know that if they have an acetylene plant, their insurance is worthless unless an "acetylene clause" is attached to their policy. Otherwise, they are insured only for the value of the wreck in case of an explosion.

#### LOAN FUND.

The Loan Fund of the General Board has this year gone beyond the half million mark that was set for it over thirty years ago. This Fund increased \$10,000.00 more this last year than in any previous year, and has become a tremendous power for the advancement of the Kingdom.

We again call attention to the Loan Fund in the Joplin District, with its thrilling possibilities and suggest to the Conference that we have a CONFERENCE Loan Fund. You can help to start it by insisting upon loans instead of

donations each year. Such a fund, for uniformity's sake, is administered through the General Board, but subject to the order of the Conference Boards.

We have made the following donations at this session of the Conference: Oak Grove Church, Kansas City District ...... 200.00 Papinsville Parsonage, Nevada District 50.00
Pierce City Parsonage, Joplin District 175.00 \$1,900.00
The assessment for next year is \$6,353.00, and is apportioned as follows: Joplin District\$ 698.00Kansas City District1,524.00

#### REPORT OF MISSION BOARD.

With unfeigned gratitude to Almighty God we report the religious outlook of the world at a better advantage than ever before. Everywhere is manifest unanimity of purpose, organized effort and a calm, studious endeavor to subject the world to the influence of the Cross of Christ. The entire Church is sowing and planting. The Gospel is going into all lands and winning its way into the life and thought of every nationality and tongue. Religious activity has vitalized the commerce of the continents, while countries once eclipsed have become attractive centers to civilizing and Christianizing forces. We are indeed short-sighted leaders if we ignore the fact that the business of Missions is the primary and most imperative duty of, and reason for the Church.

Let this true missionary spirit kindle in every child of God an inspiration in, as well as an aspiration for, the highest possible good. It alone can prompt and compel men along the path of Christian duty. Your board would again emphasize the complete organization of the local missionary forces and efforts of every pastoral charge. This admittedly may be done best by the aid of the missionary committee, the every member canvass and the use of systematic offering. We urge the adoption of this simple, business-like and Scriptural method of personal presentation which will not only increase the offerings but also intensify the spiritual life. We remind you of the \$250,000 to be raised for the building and equipment of churches and schools in Home and Foreign fields.

We ask the appointment of R. F. Campbell and T. W. Alton as Conference Missionary Evangelists and of J. T. Pritchett as Conference Missionary Sacretary. All the appropriations of the Board are made to the Preacher in Charge and must not be prorated with any Presiding Elder or Superintendent.

The payment of all appropriations is contingent on the collection of sufficient funds, and in case of deficit must be paid pro rata.

The Board requires from the preachers on charges receiving aid from it a full report each quarter before the quarterly drafts are allowed. The treasurer is ordered that he shall not pay the last draft to any charge till the claim on the charge for Home and Conference Missions shall have been paid in full.

The Presiding Elders are required by the Board to present their suggestions as to apportionments at the first regular meeting of the Board, Wednesday afternoon of the Conference Session, the Board otherwise reserving the right to make any and all appropriations independent of such suggestions.

Following are the appropriations for the year:

#### BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals beg leave to submit the following report:

The exhibit of the Publishing Agents was laid before us by Dr. A. J. Lamar. Comparison of the report with those of previous years will show that the business of the House has steadily increased from year to year over a long period, and this development promises to continue in the future.

During the past twelve months ,the Publishing Agents have been able to pay to our Superannuates, the sum of \$10,000.00. Since 1909, the Superannuates have

received \$40,000.00 from this source.

The interests of the St. Louis Christian Advocate have been clearly set forth by Dr. W. B. Palmore and Dr. C. C. Woods. The Advocate has received 2,700 new subscribers during the conference year just closing. Owing to its special price at which the new subscribers were secured, a corresponding increase in revenues was not realized.

We take great pleasure in acknowledging the great service rendered our Missouri Methodism by The St. Louis Christian Advocate, and commend it to all our people as worthy of a place in every list of religious periodicals.

The Quarterly Review is serving the Church in an able and scholarly manner, and we trust it may find a larger and larger place in the libraries of reading Methodists.

The Missionary Voice and The Epworth Era are gaining in circulation and popularity, and the form and contents at present make them acceptable.

Dr. E. B. Chappell represented the Sunday School literature, and called attention to the enormous increase in circulation and receipts with The Magazine and The Adult Student. One hundred thousand new subscribers have been added during the past twelve months.

The Christian Advocate, under Drs. Ivey and Chadwick, continues to visit our

people in attractive form and substantial contents. We believe it should have even a wider reading throughout the Church, and by the systematic co-operation

of the pastors and officials boards, this may be realized.

We wish to express our appreciation of the book exhibits made by The St. Louis Christian Advocate and by the Agents of our Publishing House. More and more, our preachers are realizing the necessity of equipping themselves with the best that is to be had in the thought and literature of our times.

Respectfully submitted

ISAAC A. SMITH, Secretary.

HOYT M. DOBBS.

#### EPWORTH LEAGUE BOARD

To the Southwest Missouri Conference:

Dear Fathers and Brethren: We would urge that the brethren do not lose sight of the work among our young people, particularly the work of the Epworth League. We deprecate the tendency in some quarters to overlook its importance and urge a more practical interest in all the departments of the League.

So long as our General Conference sees fit to perpetuate this work, so long should our preachers and people prove their loyalty by their fidelity to its

interests.

We endorse The Epworth Era in all its departments, and pledge to it our

hearty support. All our League publications were never better.

The Secretary of the General Board has very wisely decided to return to the plan of the ten-cent assessment, but in addition to this, urges the observance of Anniversary Day in May of each year, and the taking of an offering to supplement the other finances of the League. We urge the brethren to insist upon this and to send all moneys to the Conference Corresponding Secretary, one-half of which will be sent to the General Secretary, the other half will be retained to further the work of the League in our own Conference.

Our State Epworth League Conference has been thoroughly re-organized and

promises a year of unusual efficiency. We offer the following resolution:

1. We endorse the State Epworth League Conference, held annually at Pertle Springs.

2. We recommend the payment of five cents per member dues for the support of the State Work and the same should be sent to F. C. Parrish, Norborne, Missouri.

3. We endorse the expressed aim of the State League Conference, viz: to increase the membership and efficiency of every Epworth League Chapter in the State.

We have selected Rev. T. H. Clayton as Conference Corresponding Secretary of the Epworth League Board.

T. H. CLAYTON, Secretary. J. B. SWINNEY,
President.

#### REPORT OF THE JOINT BOARD OF FINANCE

The Joint Board of Finance begs leave to report as follows:

We had before us the report of the Trustees, Custodians of the Superannuate Endowment Fund, and are pleased to note the substantial growth of this fund during the past year, bringing the total productive capital up to \$261,252.00. #### SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, beg leave to submit the following report:

1. We deplore the apparent lack of sentiment against Sabbath desecration among church people, and especially among the members of our own church.

2. We note with regret that in some places our people do not scruple to buy or sell on the Sabbath, thereby not only profaning the day themselves, but causing others needless Sabbath day labor; or to engage in games of golf, tennis, baseball and kindred recreations on the day which is set aside as a day of worship to God. And we therefore urge the pastors of the church to do all in their power to discourage this laxity of sentiment and lack of serious thought in regard to the proper observance of the Lord's Day.

3. We are glad to again endorse the work and purpose of the Sunday League of America, and ask support of its work from our ministers and laymen. And, inasmuch as Dr. Edward Thompson, general manager of this League, is to tour the state during the coming year, we recommend that the preachers of the

Conference open their pulpits to him.

4. We believe that the question of Sabbath observance is a dominant one, and that our church's prosperity and growth depends upon our treatment of this

great question.

5. In view, therefore, of existing conditions, we earnestly appeal to all ministers and laymen of our church to meet this issue fairly and squarely, and beg of them to discourage the desecration of the Sabbath, and encourage by precept and example its proper observance.

Signed) J. B. SWINNEY, Chairman. A. B. JACKSON, Secretary.

#### THE AMERICAN BIBLE SOCIETY.

It would seem to be needless to argue the claims of the American Bible Society, consequently your Committee has for two or three years been content to submit a brief report. Brethren, because of the essential need and imperative demand of this great pioneer helper in the mission fields, at home and abroad, we must arrest your attention and have your co-operation. It must not be overlooked that Bible work is an essential factor in all missionary progress. The American Board itself was chartered and now exists for the purpose of propagating the Gospel in heathen lands, by supporting missionaries and diffusing a knowledge of the Holy Scriptures. Long before China opened even five new ports to Western civilization, far-seeing men ,outside the walls, were struggling with its difficult language and getting a version of the Bible ready for the people.

Equally difficult was the task in preparing the Scriptures for Japan. Every dialect of every language of the people of the earth must have its version of the Holy Scriptures. In 1910 for the great work you raised \$463.79. This year for the great work you raised \$228.21. This decrease is so great we, your Board, must make special effort on behalf of this cause; we therefore ask you to give us

the second Sunday in January, 1914, for an offering for this cause.

Every pastor or individual who sends in as much as \$30 will be made a life member and will therefore be entitled to one dollar's worth of books each year so long as he lives

Respectfully submitted,

U. V. WYATT, Chairman. W. P. OWEN.

#### TEMPERANCE.

In reporting to you on the question of Temperance we would first emphasize two facts: First, That the lines of traffic in all of its forms stands impeached at the bar of public and private conscience and condemned at the bar of God as the most infamous and unspeakable iniquity of the world. Second, That with growing determination and increasing organized effort are the moral and legislative forces being mustered for the purpose of putting down this gigantic evil.

We are glad to report remarkable progress in state and national temperance achievements. Since the passage of the County Unit Bill in Missouri the saloon forces, in order to forestall the effect of the law, and render it nugatory for four years, have brought on elections in many places. Out of forty-five such elections forty-one were won by the Drys. There are now seventy-two totally dry counties in Missouri, fifteen partly dry and twenty-seven wholly wet. In these battles the Anti-Saloon League did most efficient and effective work. We are informed by our representative on the Anti-Saloon League Board that a competent firm has been employed to audit the books of said League, and have reported that the books are neatly and correctly kept and that all receipts and disbursements have been faithfully and honestly accounted for.

We hereby record our hearty endorsement of the Anti-Saloon League and the Woman's Christian Temperance Union as the best agencies for the forwarding of the interests of Temperance in connection with the church. We further call the attention of all citizens to the effort of the liquor people to call for a vote on the County Unit Bill through the initiative and referendum for the purpose of defeating the will of the people in connection with this very important legislation by using the corruption in the large cities of the state to defeat it. We urge all citizens to work hard and vote to save the Bill.

We count the passage of the Webb-Kenyon Bill over the veto of the President one of the greatest achievements of Temperance and believe it will contribute

great progress and power to the Prohibition movement.

We record also with great satisfaction the bill introduced by Congressman Hobson submitting the question of Nation Wide Prohibition to a vote of the people. The Fifteenth National Convention of the Anti-Saloon League is to be held in Columbus, O., November 10 to 13, 1913. At this convention plans are to be formulated for this great battle with the liquor forces. We hope that our Conference will make arrangements for representatives at this great convention.

We recommend the election of Rev. W. T. McClure, D. D., and C. C. Carson as members of the State Board of the Anti-Saloon League, from the Southwest

Missouri Conference.

W. G. BEASLEY, Chairman. S. P. CAYTON, W. D. KELLEY.

#### OUR HONORED DEAD.

WHEREAS, In the providence of God, many of our faithful brethren in the ministry have "fallen on sleep" and are buried in grave yards and cemeteries widely sometimed throughout the states of Miggouri and Manage and

ly separated throughout the states of Missouri and Kansas, and

WHEREAS, these men were uniformly men of God, men of faith and prayer, of deep devotion and consecration to the Master's cause, who went forth in their day at great personal sacrifice to lay the foundations of the church, upon which we are now building, therefore be it

RESOLVED, That we owe these men and their faithful wives a great debt of gratitude, which we can never repay, for the rich inheritance they have be-

queathed unto us. And be it further

RESOLVED, That we will show our appreciation of their splendid lives and service by striving as far as may be possible to preserve in hallowed remembrance their names and deeds in the present and future generations in our church. To this end be it

RESOLVED, That we set apart Decoration Day, the national holiday, as a day on which we will visit their graves and decorate them with flowers and do whatever else may be necessary to preserve their last resting place from oblivion. And be it further

RESOLVED, That on the Sabbath before Decoration Day we will call upon our people to observe the day and to go with us to this sacred service.

J. Spencer, W. T. McCLURE,

#### THE CARNEGIE MILLION.

WHEREAS, The sum of one million dollars was recently offered by Mr. Carnegie on certain conditions to the Board of Trust of the Vanderbilt University, and

WHEREAS, The terms in which and the conditions upon which this offer was made were such that the Church could not have accepted it without sacrificing

her honor and self respect, and

WHEREAS, in view of the pending lawsuit between the Board of Trust of the Vanderbiit University and the College of Bishops representing the General Conference of the Methodist Episcopal Church South, this offer was peculiarly ill-timed and unfortunate. And,

WHEREAS, The Board of the Vanderbilt University did, in spite of these serious objections, agree to accept Mr. Carnegie's offer with all the conditions

attached, and

WHEREAS, A minority of Trustees filed their written protest against this surrender of the rights and a sacrifice of the honor of our Church, and the College of Bishops by virtue of their authority as a Board of Visitors, formally vetoed it as an illegal infringement upon the rights of the Church in Vanderbilt University, therefore be it

RESOLVED, That we cordially and heartily commend the College of Bishops and the minority Trustees for the fidelity and courage with which they have

sought to protect the honor and interest of our Church, and for this ringing proclamation to the world that we are not for sale at any price!

#### STATE HISTORICAL SOCIETY.

Sept. 17, 1813.

The State Historical Society has a collection of some 2,500 Minutes of Missouri church associations and is adding to the number so as to have all bound for permanent preservation. Of the Southwest Missouri Conference, the Society has Nos. 1879 to 1904, except 1901. Of earlier Minutes, it has only 1875.

Of the Women's Foreign Missionary Society it has 1888 to 1908, except 1890. Of the Women's Home Missionary Society it has only 1898 and 1908. Donations of the missing years of all three are much desired; address, F. A. SAMPSON, Secretary.

Columbia, Mo.

#### FURNISHING PARSONAGES.

WHEREAS, There is great need of furnishing our parsonages with the heavy furniture in order that our preachers may be in a measure, at least, relieved from some of the burdens and expense in moving from place to place;

RESOLVED, That we learn with satisfaction of the plan set on foot by the Woman's Home Mission Department in the Southwest Missouri Conference; and be it further

RESOLVED, That we request our preachers and laymen to co-operate in this work.

W. P. BUCKNER, E. K. WOLFE, F. M. BURTON.

#### METHODIST BENEVOLENT ASSOCIATION.

The directors of the Methodist Benevolent Association submit the following report:

The fiscal year ending September 3, 1913, the permanent fund of the Association amounted to \$21,032.80.

The treasurer turned over to the Joint Board of Finance for the past year, \$1,392.07.

Officers elected for the ensuing Conference year as follows:

President, W. C. Scarritt; Vice President, F. M. BURTON; Treasurer, Frank S. Groves; Secretary, J. E. Alexander. The other members of the Board: Rev. A. R. Faris, Judge John A. Rich and Hon. Perry S Rader.

W. C. SCARRITT, President.
J. E. ALEXANDER, Secretary.

#### DISTRICT CONFERENCE JOURNALS.

We, your Committee on District Conference Journals, offer the following report:

The Journals of all the Districts were in the hands of the Committee, and

each of them has been well kept for the most part.

We make the following criticisms, however: The Journals of the Western and Springfield District have no marginal references; the Journal of the Kansas City District has the official roll at the end, rather than at the beginning of the minutes. We called attention to this last year, but the secretary followed the precedent of his predecessor.

We desire to call attention to tabular arrangement of the pastors' reports,

given in the Nevada District. We commend this feature of this Journal.

J. W. OWEN, for Committee.

#### EDUCATIONAL QUALIFICATIONS.

RESOLVED, That the Southwest Missouri Conference hereby memorialize the General Conference to be held May, 1914, to take the necessary steps requiring of candidates for admission on trial a general education equivalent to four years of High School work.

C. C. SELECMAN, J. F. CASKEY, PERRY S. RADER.

#### COMPLIMENTARY.

RESOLVED, That we tender our sincere thanks to our people and the citizens of Nevada for the cordial and elegant hospitality with which we have been received and entertained during the sessions of the Conference.

Also to the pastors and officials of the city churches which have been so courteously opened for the convenience of our committees and to whose pulpits

we have been invited.

Also to the First National Bank and the Automobile Club of the city for various courtesies received and enjoyed.

Also to the press of the city for their careful and complimentary efforts in

our behalf.

Also to Revs. J. E. Alexander and L. F. Shook, and F. A. Dalton, Esq., for the brotherly kindness manifested in their preparation for and careful attention to the entertainment and comfort of the Conference during its session.

BISHOP E. E. HOSS.

RESOLVED, That we sincerely appreciate the impartial kindness and consideration of our Presiding Bishop E. E. Hoss, which has been so great a factor in making this one of the most pleasant sessions in the history of the Conference.

#### MEMOIRS.

#### DR. J. L. D. BLEVANS.

Dr. J.L. D. Blevans was born in Miller County, Missouri, June 25th, 1836. He was converted in Jefferson City, Missouri, in 1850. Was married to Mary F. Yocum in 1865. Of this union, there were born five children. Mrs. L. V. Sullivan of Atlanta, Georgia, Mrs. H. M. Ellis, Mrs. Mary Abbot of Tipton, Missouri, and J. T. D. Blevans of Dallas, Texas. He joined the Southwest Missouri Conference at its first session in Kansas City, Missouri, 1871. He practiced medicine from the year 1856 up to his joining the Conference. His first wife died in August 1872. He was married the second time to Miss Marcia Ellis, September 9th, 1874, by J. R. Bennett. The last charge he served was Arrow Rock in 1899, when he was given Supernumerary relation and was Superannuated several years ago. He died at Tipton, Missouri, February 4th, 1913. His funeral was preached by Rev. W. F. Wagoner and he was buried at Walnut Grove Church, Cooper County, Mo.

#### REVEREND JEPTHA TILLERY.

We very much regret that it has been impossible for us to get the proper information here to enable us to make a satisfactory obituary of this good

preacher.

Jeptha Tillery was born near Plattsburg Missouri, in the year 1828. Joined the Missouri Conference in 1854. He served a number of charges in this Conference, including the Neosho District for four years and the Springfield two years. He was a delegate to the General Conference in 1874. He died at the home of his son-in-law, Nelson Ingram, near Springfield, Mo., September 6th, 1913. His wife died about ten years ago. He is survived by the following children: G. D. Tillery, John W. Tillery, Mrs. Mollie Gibson, Mrs. Frances Ingram, Miss Laura Tillery and Dr. J. S. Tillery. Funeral services were conducted at New Salem Church by his pastor, Rev. John Klingner and his remains were laid by those of his wife at Mt. Comfort. He was a good preacher and successful revivalist. He gave directions for his funeral, sent a message of love to the Conference and died triumphant.

#### JEDEDIAH BAXTER LANDRETH.

Jedediah Baxter Landreth was born in Maury County, Tennessee, December

11th, 1829 and died at Morrisville, Missouri, September 28th, 1912.

He came to Missouri with his parents in 1837 and settled in Polk County. He was converted in 1846 and joined the Cumberland Presbyterian Church. In 1856 he joined the M. E. Church, South, and was licensed to preach and admitted into the traveling connection the same year. He traveled circuits and districts in Missouri, Texas and California. He was superannuated in 1895.

Brother Landreth was a physician and practiced his profession at different

periods of his life.

He was a strong preacher and often discussed the fundamental doctrines of the Bible. He was twice married and leaves behind a widow and three children. Our brother was a good man, full of faith and the Holy Ghost. He is now with the Redeemed Host on High, while his body sleeps in the cemetery at Pleasant Hope, Polk County, Missouri.

#### JOHN WESLEY BOND.

John Wesley Bond was born in Simpson County, Kentucky, March 25, 1834, and died in Waldron, Arkansas, August 5, 1913. He was the son of Rev. Joseph Bond who, for many years, was a faithful itinerant preacher. Brother Bond was twice married. Ten children survive him. He was converted in 1852 and joined the Methodist Church. In 1855 he was licensed to preach and the same year he was admitted into the traveling connection.

He was a faithful man, true to his vows, serving for many years on poor circuits and missions. He was a good preacher, and sometimes preached with great power. Many were brought into the Kingdom through his instrumentality.

He lived a Godly life and went away from it in great peace. His body sleeps in the cemetery at Waldron, Arkansas.

#### WILLIAM B. BULL.

William B. Bull was born in Lexington, Missouri, June 18, 1885, and died at Metz, Missouri, April 26, 1913.

He was converted at the age of 15 years and united with the M. E. Church, South. Brother Bull was a graduate of the University of Missouri, and the Biblical Department of Vanderbilt University; and was one of the most scholarly and cultured men of his conference. Admitted on trial in 1895, the following year he was happily married to Miss Tina Thompson, who, with two children, survive him. He was a minister of the Gospel fifteen years, and served charges at Buffalo, Cross Timbers, Bolivar, Archie, Calhoun, Moundsville and in 1910 at Metz. Brother Bull was an ideal Methodist preacher. He never left anything undone. Though his health had been bad for several months, he preached as usual, and in the midst of his preparation for the coming Sabbath, the summons came. He was true to every trust, and his place will be hard to fill. The local paper said of him, "He was an encyclopaedia in one volume, and we had use for him. He was truly a good man."

His body rests in the old family lot in Lexington Cemetery.

#### CHARLES N. SCRIVENER.

Rev. Charles N. Scrivener died March 19th, 1913, his death being caused by an acute attack of appendicitis ending in an operation. Through the short but sharp struggle between life and death, he showed the same patience, fortitude and bravery which he had developed and used in the various severe conflicts which had come to him in life. His ministry of twenty-two years had been marked by more than ordinary experiences which developed him into a large and important factor of conference and pastoral matters. Out of the furnace of fire he came forth a man of power and energy which gave their greatest fruitage in his two last charges at Mount Washington and Independence. Not afraid to die ,every thought and preparation for his children and church was given as calmly as if he was going on a temporary journey. The high esteem in which he was held by his fellows was shown by the attendance and expressions of regard for him at the funeral services held in Independence and conducted by his Presiding Elder, W. T. McClure, W. G. Beasley, C. M. Simpson and Dr. McGenley of the Presbyterian Church. Nearly all of the preachers of the Kansas City District and many from other parts of the Conference were in attendance. He leaves two children, Miss Irene and Charles Arthur; his wife, a charming Christian character, having died at Mount Washington, Missouri, July 29th, 1910.

He fought the good fight. He kept the faith. He has received his crown of eternal life. His brief life was as ointment poured forth. We cannot forget him and we shall meet again. Peacefully his body sleeps beside his loved helpmeet at

Springfield, Missouri. His spirit is with his God.

# SCARRITT-MORRISVILLE COLLEGE

Founded in 1846

Chartered in 1872

#### Historic.

On July 4, 1846, the corner stone of the Southwest Missouri High School was laid at Old Ebenezer. This was the beginning of what has been a continuous effort, except the break caused by the War, on the part of the Southern Methodists of Southwest Missouri to maintain an institution of higher learning. The school at Ebenezer was never incorporated, hence the property was owned by our local church at that point. It was maintained there more or less successfully until after the Civil War. Owing to the weakening of our church in the Ebenezer community, it was felt that the school should be located in a community where Southern Methodism was stronger. An ideal community was found around the old Pleasant Prairie Chapel. It was chosen; the school established and named "Morrisville College," the town taking the same name. There was, to be sure, much opposition on the part of some of the people of Ebenezer to the church's withdrawal of her educational effort from that community, and, as the property was owned by the local church, none of it has ever been available for the Morrisville School. Though the old people of the Ebenezer community still refer to the fact that their school was taken away from them.

The church saw to it, however, that in the future the local church could not control the school property, hence the Conference very clearly directed that the school be organized and established, so that in the future her property would be held by a separate board and not under the control of a local church. The original 1846 documents were turned over to the present College administration by A. E. Mitchell, son of Morris Mitchell, after whom the school was named.

Some of the old brethren who were on the committee which was commissioned by the Conference to continue their educational effort by organizing an unorganized enterprise and to establish it permanently, possibly did a more difficult work in resurrecting a failing enterprise and establishing it firmly than if they had been called upon to organize an educational institution in a district where none had been attempted previously. So we would give all honor to these heroic men. Yet, after considering all the facts that have been brought to our attention, the present administration does not see any reason for changing the following statement of fact made by President A. H. Godbey in the catalogue of 1908: "Morrisville College began as a District High School at Ebenezer in the year 1846."

#### Record.

As to the service we have rendered our Conference, we point with pride to the fact that of the seven presiding elders, six of them were educated in Scarritt-Morrisville College. And of the four delegates elected to the present General Conference, all four of them are our boys.
